

Rinnai Tank less Water Heaters

Bill Fenwick Plumbing, Inc. is an Authorized Service Provider of the Rinnai Tank Less Water Heater. We specialize in changing your old-style tank type water heater to the new tank less version to supply an endless amount of hot water. Utilizing the new tank less system can reduce your gas usage from 30% to 50%. Tank less systems have a much longer life than the standard system. A plus about installing this new system is that you can deduct \$300 from your taxes for energy conservation.

Gas Utilities

Bill Fenwick Plumbing, Inc. is a Teco Gas Advantage Dealer. We are the only gas licensed plumbing company in the north Florida area. We can install gas appliances, and apply rebates where available. We install gas water heaters which include not only the water hook up, but also the gas hook up and vent installations.

Bathroom Remodel Specialist

Bill Fenwick Plumbing, Inc. will take care of the project from start to finish, including the customer. We take care to insure that not only is the plumbing portion of the remodel done, but we also take care of the electrical, drywall, sheetrock, tile and any painting that needs to be completed. We staff an interior designer to help design or plan your remodel and help select the best designs for your remodel. We are truly the one-stop shop for remodels.
